Dear Ms Rogowska,

I am writing with respect to your message of 31 July 2015 concerning the update of the KZR INiG voluntary scheme, which has been recognised by the Commission for demonstrating compliance with the sustainability criteria for biofuels.

The Commission has assessed the notified changes to the scheme documents, which concerned mainly the implementation of a dedicated approach to certify the chain of custody of wastes and residues, and has come to the conclusion that the scheme is still adequately covering the sustainability criteria for which it is recognised.

Yours sincerely,

Paula Abreu Marques
